**Vines:** Cordon trained, spur pruned  
**Altitude:** 500m above sea level  
**Irrigation:** Not Irrigated  
**Yield:** 11 tn/ha  
**Varieties:** Mandilari 100%

## Wine making

White vinification. The grapes are destemmed without being crushed and the skins are removed at the beginning of the fermenting process. The free run juice is fermented in a stainless steel tank at controlled temperature of 15-17 °C.

## Tasting Note

Deep pink colour. Intense aromas of unripe cherry and sweet berries combined with a light citrus character as well as hints of toffee. Savoury and lively refreshing with a satisfying fruity aftertaste.

## Food matches

Goes well with sour salads, goat cheese as well as most aromatic dishes of the Mediterranean cuisine.  
Serve at 10-12°C.

## Awards
